No. 333. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 10th January 1870, No. 2,319.—

With reference to paragraph 1 of G. O., No. 4,015, dated 29th December 1869, I have the honour to report that the Superintendent of Operations at Paumben has represented that he has ordered material, bamboos used for blasting, to the value of Rupees 400, which are already on their way, and asks that Rupees 850 may be allowed for expenditure during the remainder of the official year.

2. As payment can hardly be deferred to the amount of Rupees 400, I request sanction for that sum, and for Rupees 100 for any further incidental charges; and beg that Rupees 500 may be authorized for expenditure after the 1st January on the work of the inner angle.

3. The balance available from the Paumben works would then be reduced from Rupees 3,935 to Rupees 3,435.
