*Proceedings of the Madras Government, Revenue Department,
5th January 1871.*

No. 33. . Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 12th November 1870, No. 2,705-73 :—

WITH his memorandum, No. 31, of the 10th November 1870, the Deputy-Accountant-General returned, for correction, the Contingent Bill of the Central Survey Office for September 1870, countersigned by the Board of Revenue, under date the 7th instant, intimating that actual railway fare, and not mileage, is admissible to the two Clerks who accompanied me on tours to Bangalore, Cuddapah, and Ootacamund.

2. In their Order, dated 20th November 1862, No. 2,449, the Government, concurring with the Director of Revenue Settlement, that the simple payment of railway fare, without any extra allowance for baggage or for a servant, is insufficient

to meet the actual travelling expenses of his Clerks, referred for orders of the

G. O., No. 2,305, of 28th October 1862.

Supreme Government a letter from that officer, requesting that his subordinates, required to travel by rail, might either be granted allowance at one and-a-half Annas per mile, agreeably to G. I., No. 9,888, of 17th November 1859, or be permitted to take each an attendant and a reasonable quantity of baggage at the expense of the State.

3. The Government of India having accordingly exempted the Settlement subordinates from the operation of the rule of the 31st May 1862, No. 3,835, they, as well as those of my Office to whom the exemption was extended, drew, for the journey performed by rail, allowance at one and-a-half Annas per mile, instead of 2nd or 3rd-class fare; till July last, when the Deputy-Accountant-General declared that the allowance is no longer admissible at the former rate.

4. In addition to the reasons already stated, I may point out that the Clerks are required to be always ready to proceed on circuit, and to perform rapid journeys; I have the honour, therefore, to request that the Government will be pleased to authorize the Accountant-General to remove the objection by admitting the charges now retrenched and pass similar ones for the future.

No. 34. ORDER THEREON, 5th January 1871, No. 17.

Miscellaneous.

The principle involved in the disposal of Colonel Priestley's application is the same as that laid down in

G. O., dated 10th December 1870, No. 1,992, regarding the establishment of the Director of Revenue Settlement.

2. The Accountant-General will, therefore, pass the discontinued allowances (with arrears) to the subordinates of the Revenue Survey, and the Superintendent
