MILITARY WORKS, No 14.

SIR,—With reference to your letter  
No 222 A B, dated 14th July 1870,  
I am directed to state that the revised  
estimate for the Male Branch of the Lawrence Asylum which was forwarded to the

been returned, and I am to add that even if the information called for regarding  
it were not ready for transmission in the course of a few days, this Government  
would strongly object to the withdrawal of any portion of the amount allotted for  
the work in the current year's Budget, as, under any circumstances, the money  
may be most advantageously utilized on works urgently required in this Presidency
