No. 292. Read the following Proceedings of the Board of Revenue, dated 27th September 1870, No. 5,878 :—

Read the following letter from the Officiating Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 22nd August 1870, No. 3,840.

WITH reference to Board's Proceedings, dated 7th July 1870, No. 4,731, I have the honour to state that the provision for the Nuzvid Establishment may be met from the savings of Rupees 57 under the head of "Taluq Establishment," occasioned by the discontinuance of the Vissanapettah Estate Establishment, consequent upon the transfer of the estate to the proprietor. The necessity of a permanent additional establishment to the Nuzvid Division on account of Teerwajasti and other works has been repeatedly brought to the notice of the Board, who, in paragraph 2 of their Proceedings under reference, admit that the establishment cannot be dispensed with at the end of the year. If the Board accede to this proposition, which will dispense with the necessity of applying to the Supreme Government for sanction, the provision under the head of "Temporary Establishment" may be made available for some other items which greatly stand in need of funds (*vide* my letter, dated 26th April 1870, No. 1,548). The Board will observe that the Vissanapettah Estate Establishment formed a portion of the sanctioned permanent establishment, being included in the Statements circulated to Collectors with Mr. Pelly's Circular No. 204, dated 15th January 1867; this establishment was not formerly given up.

IN the foregoing letter, the Collector states that the cost of the temporary establishment, sanctioned in Government Order, dated 10th August 1870, No. 1,220, to aid the Sub-Magistrate of the Nuzvid Division in collecting water-rate on Zemindari and Inam lands irrigated by anicut channels, may be met from the saving of Rupees 57 under the head of "Taluq Establishment," occasioned by the discontinuance of the Vissanapettah Estate Establishment, consequent upon the transfer of that estate to the proprietor, and proposes that the establishment may be made permanent. The reasons for so doing have been already adduced by him in his former letters, recorded in Government Order, dated 10th August 1870 and 2nd September 1869, Nos. 1,220 and 2,483.

2. The Vissanapettah Establishment now dispensed with consisted of—

	RS.
1 Gumasta	20
1 Do.	15
1 Shroff	10
2 Peons, at 6 Rupees each	12
	57

and will be found entered in the detailed Statement submitted by the Honourable Mr. Pelly, recorded in Government Order, dated 14th January 1867, No. 121.

3. The Nuzvid Establishment costs the same, but there is a slight difference in the designation of the offices. It is composed of—

	Rs.
1 Inspector	20
1 Gumasta	15
1 Shroff	10
2 Peons, at 6 Rupees each	12
	57

4. The Board concur with the Collector in the opinion that the Nuzvid Establishment will be required permanently for the purpose indicated, and consider the present suggestion of the Collector to be quite appropriate and calculated to obviate the necessity there now is of applying for fresh sanction year after year.

5. They, therefore, recommend that the proposition of the Collector may be submitted for the formal sanction of the Government of India. No additional expenditure to the State is involved.

No. 293. ORDER THEREON, 21st November 1870, No. 1,820.

Miscellaneous.

THE Vissanapettah Estate Establishment is, the Government observe, provided for in the Budget for the current year, and sanction is therefore granted for the appropriation of the savings effected by the discontinuance of that establishment for the additional permanent establishment as per margin, required to aid the Sub-Magistrate of the Nuzvid Division in collecting water-rate on Zemindari and Inam lands irrigated by anicut channels. This sanction will be reported to the Government of India in the monthly Statement.
