*Proceedings of the Madras Government, Public Works Department,
29th July 1870.*

No. 459. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 6th July 1870, No. 832.—

I HAVE the honour to request the orders of Government as to whether Military men, who were appointed Acting Overseers subject to their passing the full test, but who do not within a year of their probation, should receive their promotion to Serjeant with retrospective effect from the date they completed one year's service, under the provisions of Chief Engineer's Standing Circular Memorandum, No. LIX., of 6th November 1862.

2. I make this reference as, at the late Examination of the Civil Engineering College, two of the Military Overseers in this division who should have passed within a year after their joining, passed only the other day. These men, under ordinary circumstances, would have been promoted to the rank of Serjeant if they had passed the full test after being in the department for one year, and obtaining a character for good conduct, but were debarred promotion at the time under G. O., No. 3,200, dated 4th October 1869.

No. 460.

ORDER THEREON, 29th July 1870, No. 1,827.

ESTABLISHMENT, No. 29 -

The Order of the 4th October 1869, No. 3,200, does not debar a Military man who has not passed the Madras

Overseer's Test reckoning service for promotion to the rank of Serjeant prior to the date on which he obtains the required certificate from the Principal of the Civil Engineering College, provided he has served one year in the department and conducted himself well.
