*Proceedings of the Madras Government, Public Works Department,
2nd August 1870*

No 15. Read the following letter from the Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 15th July 1870, No 4,241 —

In forwarding the accompanying letter* from the Special Executive Engineer, Wynaad, I have the honour to request the sanction of Government to the following transfers of funds required for increasing the proposed expenditure during the current year on the Inspector's house at Vythery from Rupees 320, erroneously entered by Major Kennedy in the statement furnished to this office and sanctioned in G. O., No 1,540, of 27th June 1870, to Rupees 763, the balance of the estimate (Rupees 3,370) The actual expenditure, up to 31st March 1870 on the work in question, was it appears Rupees 2,607, and not Rupees 3,050 as shown in the statement printed in the Proceedings of Government above referred to—

District	Work.	Amount	District	Work.	Amount,
<i>From</i>		RS.	<i>To</i>		RS.
Wynaad ..	4 Blocks of 2 Police huts at Vythery	28			
	Head Constable's house at do	96			
Malabar ..	Police buildings ...	319	Wynaad	Inspector's house at Vythery	443
	Total	443			

From the Special Executive Engineer, Wynaad, to the Inspector-General of Police, Madras, dated Vythery, 11th July 1870, No 484

I FIND an error was made in the application for incomplete works in Wynaad, owing to the expenditure on the bungalow for the Police Inspector at Vythery during the past official year having been put at Rupees 3,050. This led to the requirement of only Rupees 320 as the balance of the estimate, whereas the proper expenditure was Rupees 2,607, and the sum asked for as balance of estimate should have been Rupees 763. There is consequently a sum of Rupees 443, which I have now the honour to request may be placed to my credit this may partly be made up by transfer of Rupees 28 from four blocks of two Police huts at Vythery, and Rupees 96 from Head Constable's house at Vythery, these works having been completed before the end of the past official year, and no funds being required for them during the current year, this will leave Rupees 319 to be provided from other sources.

No 16 ORDER THEREON, 2nd August 1870, No. 1,837.
