*Proceedings of the Madras Government, Public Works Department,
4th August 1870.*

No. 47. Read the following letter from the Acting Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Palamecottah, 21st July 1870, No. 1,092.—

THE two buildings as per margin require respectively the sums of Rupees 743 and 704-3-1 to complete them, so that Deputy Tashildar's Court, Subsidiary Jail and out-houses at Velaticolum. Estimate Rupees 12,800, sanctioned G. O., No. 1,723, dated 27th May 1869 they may be utilized by the Revenue Department, and in fact handed over to that department permanently. These Subsidiary Jail and out-houses at Tuticorin. Estimate Rupees 7,500, sanctioned G. O., No. 935, dated 20th March 1869 two sums exceed the amount fixed by Government in G. O., No. 1,441, dated 11th June 1870, (by Rupees 243 and 204-3-1,) as the limit to which expenditure is to be incurred, but the Collector requests that, as special cases, Government may be moved to sanction the small additional outlay, as "the want of the above buildings is very much felt. The Deputy Tashildar Sub-Magistrate of Velaticolum now holds his Cutcherry in a wretched thatched roof building, and suffers much inconvenience, while his records are deposited in a private house on a monthly rent."

2. I should state that, in the case of the Velaticolum Cutcherry and Subsidiary Jail, the balance of the estimate unexpended is Rupees 1,808-5-2; but it is proposed to do away with the ryots' shed, as this building is quite unnecessary. The ample verandah in rear of the Jail measures 70 feet by 6 feet, and will afford all the requisite accommodation. Also, there is an anticipated saving of 200 Rupees in the item of superintendence, in all a sum of Rupees 1,065-5-2, namely, Rupees 865-5-2 saving in ryots' shed and Rupees 200 saving in superintendence, may be struck out of the estimate, and the balance as per first paragraph of this letter will alone be required to render the building ready for use.

No. 48. ORDER THEREON, 4th August 1870, No. 1,853.

CIVIL WORKS, No. 7.

As there is at present only a small sum at the disposal of Government under "Other Services," His Excellency in Council is unable to provide the supplemental allotments required for the completion of the buildings referred to in this letter.
