ADVERTING to the Proceedings of

they are intermediately disposed of, I have the honour to state that immediately
on the receipt of the Order of Government, No. 2,146, of the 2nd July 1869, on
my report of the best route for connecting the Jeypore country with the rest of
the Vizagapatam District, I put myself in communication with the Collector of
the District, and pointed out the difficulty which existed in investigating the project
for opening the Pachipenta pass, and at the same time requested that officer, in his
report on the subject, to impress upon the Board of Revenue the absolute necessity
of appointing a special officer, with a suitable establishment, to undertake this
duty, as I was unable to move in the matter, the requisite funds not having been
granted.
