ORDER THEREON, 6th August 1870, No. 1,874.

CIVIL WORKS, No. 15.

IN G. O, No. 3,104, dated 3rd October 1868, sanction was accorded to an estimate of Rupees 250 for the construction of a Police Station House at Eroomaputty in the Salem District. The building was erected under the supervision of the Police Department from Public Works Funds and was completed in 1868-69

2 With the statement above recorded the Controller of Public Works Accounts submits a Bill for the work which he has received from the Superintendent of Police of the Salem District without the usual Completion Certificate from the Public Works Officer in charge of the Range in which the building is situated. From the correspondence which accompanies the statement it is observed that the Executive Officer in charge of the Salem Range condemns the building and refuses to grant the required certificate of completion, as the beams used are exceedingly bad, and the basement so defective, that it is liable to sink and bring down the whole structure

3. It is not stated whether in coming to this opinion sufficient allowance was made for the smallness of the estimate, which it is evident was not calculated to provide for the construction of any but a rough building of very ordinary

of the Range in which
the building is situated.
From the correspondence
which accompanies the
statement it is observed
that the Executive Officer
in charge of the Salem
Range condemns the
building and refuses to
grant the required certificate of completion as
the beams used are
exceedingly bad and the
beavement so defective

that it is liable to sink
and bring down the
whole structure.

It is not stated
whether in coming to this
opinion sufficient allowance
was made for the small-
ness of the estimate, in
which it is evident was
not calculated to pro-
vide for the construction
of any but a rough
building of very ordinary
materials, but must

Under the circum-
stances the Government
