*Proceedings of the Madras Government, Public Works Department,
8th August 1870.*

No. 130. Read the following letter from the Acting Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Camp at Sooramungalum, 1st August 1870, No. 80 :—

With reference to G. O., No. 510, of the 14th February 1870, authorizing the Controller of Public Works Accounts to pass the excess outlay incurred on the bridges on the Cuddalore and Salem frontier road in South Arcot, I have the honour to state that no outlay was actually incurred last year in excess of the grant for the bridges, and that, out of the revised estimate of Rupees 3,965 for the Vassoodavanoor Bridge on the 158th mile of the road, only Rupees 2,895 were expended in 1869-70. No further outlay could have been incurred on account of the restrictive orders. And thus it would appear that on the 1st of April there was an unexpended balance of Rupees 1,070 on this bridge.

2. In G. O., No. 1,136, of the 29th April 1870, Rupees 530 have been granted to meet the demands for work done last year on account of the said Vassoodavanoor Bridge, and now the remainder, Rupees 540, is urgently needed. All the other five bridges on the road have been completed, and only the parapet walls and approaches of the one in question remain unfinished.

3. I have the honour to request, therefore, that the Government will be pleased to grant the sum of Rupees 540, required for completing the said bridge, from the balance at their disposal of the Reserve under "Communications."

No. 131. ORDER THEREON, 8th August 1870, No. 1,891.

CIVIL WORKS, No. 18.

THERE being no money at the disposal of Government from the Reserve under "Communications," the Acting

Superintending Engineer should provide the sum of Rupees 540, required for the completion of the bridge referred to in this letter, by such transfers as it may be in his power to propose.

To,
The Secretary to Government
Public Works Department.

Sir,

With reference to G.O. No. 510, of the 14th February 1870, authorizing the Controller of Public Works Accounts to pass the excess outlay incurred on the bridges on the Buddalore and Salem frontier road in South Arcot, I have the honor to state that no outlay was actually incurred last year in excess of the grant for the bridges, and that out of the revised estimate of Rs. 3,965. for the Vasodavanor bridge on the 158th mile of the road, only Rs. 2,895. were expended in 1869-70. No further outlay could have been incurred on account of the restrictive orders. And thus it would appear that on the 1st of April there was an unexpended

balance of Rs 1070 on this bridge.

2. In G.O. No 1136 of the 29th April 1890, Rs 530 have been granted to meet the demands for work done last year on account of the said Vassoodanoot bridge, and now the remaining Rs 540, is urgently needed. All the other 5 bridges on the road have been completed, and only the parapet walls and approaches of the one in question remain unfinished.

3. I have the honor to request therefore that the Government will be pleased to grant the sum of Rs 540, from the balance, at their disposal, of the Reserve under "Communications."

I have the honor to be Sir,

Your most obedient Servant
