Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department,
1st December 1870.

No. 20. Read the following endorsement of the Inspector-General, Indian Medical Department, dated Fort Saint George, 29th November 1870, No. 293:—

Read the following letter from Senior Apothecary R. HUFFTON, in medical charge, Chetterpore, to the Deputy-Inspector-General, Indian Medical Department, Presidency and Northern Districts, Madras, dated Chetterpore, 15th November 1870, No. 67.

I BEG respectfully to report, for your information, that the fever treated in the hospital at Ganjam shows a favourable decrease, as compared with the preceding month.—Only 150 cases received medical aid, against 165 treated in September, none of whom were fatal.

2. The Curnum's report for the same period states the mortality to have been 20, of which number 14 are said to have died from fever.

3. In the town of Chetterpore and its surroundings, there has also been a great abatement of fever; five cases are said to have died from fever. None of these came under European treatment.

4. The rain-fall for Chetterpore during the past month was fourteen inches fourteen cents., while that for Ganjam was ten inches nine cents.

Weekly Report of Fever-cases among the Civil population of Ganjam, from Monday the 24th to Sunday the 30th October 1870.
