Proceedings of the Madras Government, Revenue Department,
2nd December 1870.

No. 40. Read the following letter from the Officiating Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort Saint George, 10th October 1870, No. 201 :—

I HAVE the honour respectfully to point out that the Orders of Government, No. 1,511, dated 5th instant, are not in accordance with the principle of the Resolution of the Government of India, No. 13,801, dated 9th November 1861, Financial Department, and to request a re-consideration of Nursimha Row's case, as he could, under the spirit of that ruling, only be allowed joining time for a portion of the distance which he had to travel at the rate* allowed for a steam route.

*100 miles per diem.

No. 41. ORDER THEREON, 2nd December 1870, No. 1,910.

Miscellaneous.

THE Right Honourable the Governor in Council sees no reason to re-consider the orders already issued in the case. The reference quoted by the Accountant-General deals not with the period to be allowed for a journey, but with the travelling charge to be passed, and there is objection to the principle laid down being adopted in P. L. Nursimha Row's case.
