No. 46. Read the following letter from the Second Member of the Board of Revenue, in charge of the Inam Department, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 20th October 1870, No. 37:—

In reply to paragraph 6 of the Order of Government, dated the 11th instant, No. 1,539, I have the honour to state that the cost of fair-copying the Registers therein referred to will be, in round numbers, Rupees 11,000. Details of this estimate are given in the subjoined memoranda.

2. The work of transcription, if decided on, will be best done under my own superintendence.

3. The fair Registers must be authenticated by the Inam Commissioner, and must, for this purpose, be sent down to Madras after being copied in the districts.

4. Some of the Examiners and Clerks of the abolished Office are still available for the work, and for others that may be required, men of better stamp are more likely to be met with at the Presidency than in the Provinces. For this reason also, it is necessary that the work be done here.

5. The Registers of the Village Service Inams in the districts of Godavery and Trichinopoly, now in the course of enfranchisement, will have also to be fair copied during 1871-72. No definite estimate can now be formed of the number of these cases and the quantity of copying work they will involve. Taking them at 15,000 cases for both the districts, the cost of transcription of the Registers will probably not exceed Rupees 4,000.

6. If speedy orders are passed on the subject, it will enable me to include the estimated amount in the Budget for 1871-72, and the work may be commenced from March 1871.
