*Proceedings of the Madras Government, Public Works Department,
12th August 1870.*

No. 175. Read the following Circular letter from the Deputy Secretary to the Government of India, Public Works Department, (Railway,) to the Governments of Madras, Bombay, Bengal, and the Punjab; the Chief Commissioner of Oudh, and the Resident at Hyderabad, dated Simla, 2nd July 1870, No. 12:—

I AM directed to forward a copy of the forms in which the details of the opened sections of Guaranteed Railways were originally tabulated, and to request that as these statements have not been regularly supplied to the Government of India, they may, if possible, without much trouble, now be prepared for each railway and submitted, so that full information of the construction of each line may be recorded in this office in a systematic form.

2. The details correspond, with slight variation, with those required by the Board of Trade for all railways in Great Britain as explained in the papers forwarded with Circular No. 15-R. of 7th August 1869, and can probably be obtained from the records in each railway office, in which the information is doubtless available in this or some similar shape.

3. I am further to request that tables in these forms may always be submitted on the opening of each section of a railway.

(Signed) E. C. S. WILLIAMS, Major, R.E.,
Deputy Secretary.

To the Secretary to the Government of Madras, Public Works Department, Railway Branch.
