Proceedings of the Madras Government, Revenue Department, 3rd December 1870.

No. 58. Read the following Proceedings of the Board of Revenue, dated 1st November 1870 :—

Read the following letter from the Acting Master Attendant, Masulipatam, to the Acting Collector of the Kistna District, dated Masulipatam, 21st October 1870, No. 167.

I HAVE the honour to state that the river rose this morning more than two feet over high water-mark spring tides, and it is my opinion that a cyclone has passed up the bay not far from us. The Barometer was at 3 A.M. down to 29° 75′, but has since risen to 29° 85′.

2. I beg to state the Schooner *Nursimaswamy* of 60 tons burthen, belonging to this Port, which arrived from Barwar yesterday with grain, drove with two anchors down, and is now aground close to the entrance of Masulipatam river. I went out to the mouth of the river this morning with the Pilots, who landed the crew safe. I fear the vessel will go to pieces, she being in the surf.
