*Proceedings of the Madras Government, Public Works Department,
13th August 1870.*

No. 209. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 28th July 1870, No. 1,033:—

I HAVE the honour to forward, for the sanction of Government, the accompanying report and estimate, amounting to Rupees 1,050, for repairing the Talook Cutcherry at Anantapore.

2. No funds under "Minor New Works, Civil Buildings" are available, and the work cannot in consequence be carried on in this official year unless a special allotment is made now or in 1871-72, as the grant under this head is usually so small that such works as the above cannot be put in hand.

1. G. O., No. 1,102, of 9th April 1867.
2. See also G. O., No. 1,232, of 23rd April 1868.
3. Paragraphs 40 to 46 of Subsidiary Jail Committee's Report published with G. O., No. 49, dated 8th January 1869.

3. I would beg to draw attention to the previous correspondence as per margin regarding this building.

No. 210. ORDER THEREON, 13th August 1870, No. 1,934.

CIVIL WORKS, No. 25.

As THERE are no funds at the disposal of Government for appropriation to the work referred to in this letter, the consideration of the estimate submitted by the Superintending Engineer of the 3rd Division must be deferred.

Handwritten notes:
The estimate for repairs of
Bellary District
Anantapur Range
is somewhat in comparison
with the estimate for
the same work in the
Bellary District
Anantapur Range
for the year 1870.

The Estimate provides for repairing tiled & flat
roofs, plastering to floors & walls, whitewash to inside
& blue wash to outside of whole back, as well as
for a thatched Chuppar to the front.
