*Proceedings of the Madras Government, Public Works Department,
13th August 1870.*

No. 213. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Bhowany, 19th July 1870, No. 76:—

I HAVE the honour to bring to the notice of Government the following circumstances for their orders.

2. One F. X. Farias, late Talook Maistry in the Pootoor Range of the South Canara District, whose dismissal, from 1st February 1870, has been confirmed by Government in Order dated 14th June 1870, owed the following sums to Government at the time of his dismissal, namely:—

Rs. 18, being part of a payment he caused the Range Officer to make in March 1869 for materials which he never produced at the site of the work; and,

Rs. 5 advanced him by the Range Officer.

Total Rs. 23, which was correctly deducted by the Range Officer from Mr. Farias' pay of Rupees 25 for January, and, deducting further one anna for a receipt stamp for him to sign upon, a net balance of Rupees 1-15-0 was paid him; and the Range Officer has Mr. Farias' letters acknowledging the last amount as well as a list of recoveries made, which was furnished him. But having been dismissed the service Mr. Farias refuses to sign an Acquittance Roll, on which account the Controller declines to accept the mode of adjustment adopted without the special sanction of Government, which he requests me to obtain. I have the honour accordingly to solicit such sanction.

3. The recovery has been credited to the work (Subsidiary Jail at Cassergode, estimate Rupees 4,195, sanctioned in G. O., No. 1,193, of 5th March 1870,) now in abeyance for want of funds, so that if a refund be ordered an allotment of funds to the credit of the work is also necessary.

No. 214. ORDER THEREON, 13th August 1870, No. 1,936.

ESTABLISHMENT, No. 24.

THE Government are unable to accept the mode of adjustment proposed in this letter.

2. Mr. Farias having served as a Talook Maistry during the whole of January last is entitled to his full salary for that month, and it would not be legal to deduct from the amount any money he may have induced the Range Officer to pay away for a public purpose, even if it can be shown that the payment was irregular. If the advance of Rupees 5 to Mr. Farias by the Range Officer was on account of salary, that amount may be deducted from Mr. Farias' pay for January, but the transaction is not in keeping with the Orders of Government, dated 15th December 1868, No. 3,909, which prohibit such advances being made except on the sanction of His Excellency in Council.

3. As regards Rupees 18 said to have been paid by the Range Officer, on Mr. Farias' wrongful representation, the Superintending Engineer will be at liberty to

endeavour to recover the amount by Civil process if he should be in a position to show that Mr. Farias acted with fraudulent intention.
