Proceedings of the Madras Government, Public Works Department, 18th January 1870.

No. 384. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweiam, 18th December 1869, No 3,352 —

One copy of letter, No. 425, dated 25th November 1869

In forwarding, herewith, copy of a letter received from the Executive Engineer in charge No 1 Range, Godavery, bringing to notice the recovery of certain advances made to Contractors on account of the Central Jail works, and the consequent loss, by the disallowance by the Court, of certain *bona fide* charges incurred in instituting suits against Contractors, which amount to Rupees 42-2-6, I have the honour to request that you will be pleased to obtain the sanction of Government for writing off to "Profit and Loss" the amount in question, so as to enable Mr. Sage to adjust his "Miscellaneous Advance Account"

From the Officer in charge No 1, or Eastern Division Range, Godavery District, to the Superintending Engineer, 1st Division, dated Dowlaishweiam, 25th November 1869, No 425

I HAVE the honour to bring to your notice that a sum of Rupees 255-3-9 was spent on account of filing suits in Courts against certain Contractors for the recovery of advances made to them from the Central Jail works in No VI. Range, Godavery This amount has not been transferred to No VI Range at the time the Jail works were handed over to Mr Hannon, as it would entail additional charges for drawing up fresh Vakalatnamas in that Officer's name, and hence the amount is left outstanding in my accounts under the head "Miscellaneous Advances."

2. Out of the suits, one against Yerrapothoo Subarayudu has been brought to a close, and I beg to subjoin a list of charges incurred thereon, and request your instructions as to whether the amount (Rupees 42-2-6) disallowed by the Court should be recovered from Supervisor Ramayya who made the advances, or whether you will apply to Government for permission to write it off to "Profit and Loss," as I want to adjust the advance and clear my accounts —
