COMMUNICATED to the Superintending Engineers of the 1st, 4th, and 6th Divisions with reference to the orders marginally noted.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

GROUNDS OF PROPOSITION.

THE Superintending Engineer represents that the Court-house at Tanjore is in so advanced a stage of progress that it is advisable to complete it, and with a view to provide the requisite additional funds a large portion of which has been surrendered to the Government of India, he proposes the transfers exhibited in this statement, which it is requested may be sanctioned

2. The repair of the Madras Pier having been undertaken as a special work no provision was made for it in the Budget, but as the Government of India have refused to make a grant for it, the outlay has to be met by transfers from the ordinary assignment, and the diversion of a portion of the funds which have been surrendered by the Superintending Engineer of the 1st Division from the allotment for the Chilka Lake Canal is now proposed towards the adjustment of expenditure already incurred.
