Paragraph 3 of Financial Resolution, No. 3442, dated 17th September 1869, ruling that no charge, even though it be sanctioned, which is not provided for by a distinct assignment of funds, is henceforth to be admitted by the Audit Department

Read—

A letter, No 402-E, dated 9th October 1869, from the Examiner of Claims, Calcutta, inquiring what course should be followed with regard to charges sanctioned, but not provided for in the Budget.

Observations —The Governor-General in Council observes that it is the duty of the Accountant-General immediately to bring to the notice of the local Government the fact that any charge which he is required to admit is not provided for by specific Budget assignment. The local Government must then either make the necessary assignment by transfer, if it be within its competence to do so, or obtain needful orders from the Supreme Government.

Ordered that the foregoing Resolution be sent to the several local Governments and Administrations, the Comptroller-General of Accounts, and the several Accountants-General and Deputy Accountants-General in independent charge
