Proceedings of the Madras Government, Public Department,
4th January 1870.

No. 1. Read the following letter from the Officiating Collector of Malabar, to the Chief Secretary to Government, Fort Saint George, dated Nediwattam, 5th December 1869, No. 117.

With reference to the Order of Government, dated 2nd October 1869, No. 251, I have the honour to report that I have communicated with the members of the Mercantile Firms at Cochin on the subject of the fees proposed for admission to the Sailors' Hospital, Cochin. They are of opinion that the proposed entrance fee of five rupees, and dieting fee of Rupees 1-8-0 per diem, is not excessive, and although not binding themselves for the Shipowners and Captains to pay these fees, they state that they feel confident the charges would be cheerfully acquiesced in by persons having occasion to use the hospital.

No 2. ORDER THEREON, 4th January 1870, No. 1.

Communicated to the Department of Public Works with a view to the preparation by the Executive Engineer in communication with the Collector of Malabar of a plan and estimate for a small Sailors' Hospital at Cochin.

2. The design of this hospital should be of the simplest and least expensive description.
