No. 514. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezwarah, 6th January 1870, No. 135 —

I HAVE the honour to request the permission of Government for a transfer of Rupees 8,000 from the Budget Item 155 (Commamoor Channel Project) to Budget Item 154 (Ryves' Canal Project), both extraordinary works.

2. I have also the honour to surrender the following sums from the extraordinary grants :—

		RS.
Budget Item No. 155,	Commamoor Channel Project .. .	1,770
,, No. 161,	Extension of Irrigation under the Polraz Codu Branch	5,000
,, No. 162,	Irrigation channels under the Buntumilly Channel	4,000
	Total	10,770

3. It is impossible to do any work on the Commamoor Channel immediately, and the provisions of the current estimate differ so much from those which appear necessary for the better navigation of the canal, that it will be probably a waste of money to do more on this estimate till the subject has been fully considered.

4. I regret that, owing to early freshes and heavy rain later, the estimate for the other works, which are very important, have not been prepared.

No. 515. ORDER THEREON, 21st January 1870, No 267.

ACCOUNT, No. 63.

THE sanction of the Government of India will be requested to the transfer of funds proposed in paragraph 1, and the sum of Rupees 10,770 surrendered in paragraph 2 will be held at the disposal of Government.
