No. 519. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 23rd December 1869, No 1,123 —

I HAVE the honour to inform you that the room in the Ordnance Stores which is used as a laboratory at Trichinopoly is paved with stone. The Deputy Inspector-General of Ordnance has requested that the stone may be removed as it is regarded as a source of danger, and that the floor may be boarded or asphalted the latter being the cheaper, an estimate of Rupees 230 has been prepared for asphalting the room; but as only Rupees 168 are available under the head of "Minor New Works," I beg that the balance, viz, Rupees 62, may be provided from other sources, if possible, as desired by the Quarter Master-General, whose letter, No 7,565, of 17th instant is enclosed.
