Proceedings of the Madras Government, Judicial Department,
4th January 1870.

No. 13. Read the following letter from the Inspector-General of Police, to the Chief Secretary to Government, Fort Saint George, dated Madras, 17th December 1869, No. 8091.

Hutting and Building]

I have the honour to submit, for the sanction of Government, the accompanying estimate, amounting to Rupees 200, for completing the Station-house at Sholavundum, in the district of Madura.

2. The Station-house in question was first undertaken by several wealthy inhabitants of Sholavundum and its neighbouring villages on the standard plan, and completed with the exception of the roof, but the Superintendent now reports that the parties will not complete it as the Police have, under the recent orders of Government, prevented their usual swinging festival this year. Captain Guthrie considers that the value of the building, when completed, will be about Rupees 600.

3. Under these circumstances, I have the honour to request the sanction of Government for appropriating Rupees 132, sanctioned in G. O., No. 126, of the 26th January 1869, Judicial Department, for constructing a Station-house at Tripatore in Madura towards the completion of the Station-house at Sholavundum, the balance being met from the grant for 1870-71. The site selected for the Station-house at the former place has been taken up for a Subsidiary Jail and hospital lately built by the Public Works Department, and the building cannot be erected at present.

No. 14. Order thereon, 4th January 1870, No.
Sanctioned.
