*Proceedings of the Madras Government, Public Works Department,
19th November 1870.*

No. 362. Read the following Endorsement of the Revenue Department, dated 10th November 1870:—

Read the following Proceedings of the Board of Revenue, dated 26th October 1870, No. 6,334.

Read the following letter from the Officiating Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 8th October 1870, No. 4,430.

I HAVE the honour to forward, herewith, an estimate received from the Superintending Engineer, amounting to Rupees 150, for making a trap-door for the security of the Treasury, and for providing two windows and two iron barred doors for the lock-up and prison-rooms, and one battened door for the Court of the Sub-Magistrate's Cutcherry building at Tummurukodu; and request that the same may be forwarded to Government for sanction, with reference to their Order in the Department Public Works, dated 10th April 1866, No. 1,094. The Tummurukodu Sub-Magistrate's Cutcherry is in a very unsafe condition, and I requested the Superintending Engineer to be so good as to prepare the necessary estimates for the needful repairs and improvements necessary for the custody of cash. The estimate for *repairs* amounts to Rupees 265, which the Superintending Engineer has promised to proceed with under the authority quoted above. The cost of the *improvements* amounts to Rupees 150, and I request that the Government may be moved to place the necessary funds at the Superintending Engineer's disposal, as, owing to the want of a safe treasure vault, some money was lately abstracted, which was, however, made good by the late Sub-Magistrate.
