No. 381. Read the following Official Memorandum from the Acting Secretary to the Board of Revenue, to the Secretary to Government, Public Works Department, dated Madras, 14th November 1870, No. 1,375 :—

In reply to Government Order, Public Works Department, dated 10th October 1870, No. 2,442, calling attention to the omission of the orders marginally noted from the arrear list for the first half-year of 1870, the undersigned has the honour to state, with reference to the omission of the Order of April 1870, that the arrear lists sent to both the Revenue and Public Works Departments contain only such orders as are of more than three months standing at the end of the half-year to which the lists have reference. The last list being for the half-year ending 30th June 1870 the orders of April, May, and June were, therefore, excluded from it.

2. As regards the order of October 1869, its omission was the result of a misconception. It will be included in future lists till it is replied to.
