*Proceedings of the Madras Government, Public Works Department,
23rd November 1870.*

No. 423. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 14th November 1870, No. 1,716 :—

Read the following letter from the Executive Engineer in charge of No. 4 Range, South Arcot, to the Controller of Public Works Accounts, dated Cuddalore, 10th November 1870, No. 677.

In answer to your No. 331, of the 4th instant, attached to Mr. Assistant Engineer Bell's travelling allowance bill, I have the honour to inform you that Mr. Bell was granted casual leave from the 12th to 26th September by the Superintending Engineer.

SUBMITTED for the information of Government, with reference to this office endorsement, dated 8th instant, on Mr. Bell's application for a month's privilege leave.

2. The grant of *casual* leave to officers holding gazetted appointments having been distinctly prohibited, the orders of Government are solicited as to the pay which should be passed to Mr. Bell from the 12th to the 26th September, and whether the leave granted to the Assistant Engineer in the last *Gazette* is to continue to be regarded as "*privilege*."

(Signed) S. BROCK,
Controller of Public Works Accounts.

No. 424. ORDER THEREON, 23rd November 1870, No. 2,818.

ESTABLISHMENT, No. 42.

As, by taking a few days' casual leave in September last, Mr. Assistant Engineer Bell became ineligible for the

privilege leave granted him in the *Gazette* of the 8th November 1870 he should, under the rules, be considered absent from his duty on general leave.

2. Seeing, however, that the casual leave in September was granted by the Superintending Engineer under a misapprehension of the rules which restrict the indulgence of casual leave to office and other employes not holding gazetted appointments, and taking into consideration the hardship of depriving a young officer of a moiety of his salary under such circumstances, His Excellency the Governor in Council resolves to authorize the Controller to pass Mr. Bell's abstracts in full from the 12th to the 26th September and for the period to which his present leave may extend.
