*Proceedings of the Madras Government, Public Works Department,
23rd November 1870.*

No. 436. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Trichinopoly, 17th November 1870, No. 697 :—

With reference to G. O., No. 2,190, dated the 12th September, by which the allotments for the Tanjore and Trichinopoly Districts on account of Tools and Plant under Ordinary have been reduced to Rupees 1,000 and 400 respectively, I have the honour to inform you that the allotment for the Tanjore District has been exhausted with the exception of Rupees 75, and as this sum is not sufficient to meet the requirements under that head during the remainder of the year, I request that a sum of Rupees 212 from Rupees 400 allotted for the Trichinopoly District may be transferred to Tanjore. Only Rupees 38 have been expended up to date from the Rupees 400 allotted to the Trichinopoly District, and it is not likely that the balance, Rupees 362, will be fully expended in that district.
