*Proceedings of the Madras Government, Public Works Department,
24th November 1870.*

No. 445. Read the following letter from the Special Executive Engineer, Wynaad, to the Secretary to Government, Public Works Department, dated Vythery, 14th November 1870, No. 722 :—

I FIND that a sum of Rupees 350 is claimed by, and is due to, Mr. Glasson for a piece of land taken up at Vythery in 1865, and that this sum has never been paid to him.

2. The land comprises the sites for the Sub-Magistrate's Cutcherry, Police Station, and Subsidiary Jail; the Post Office, the house for the Sub-Magistrate, house for Inspector of Police, and house for Head Constable; with the exception of the two latter the accounts for each of these works are still open, and there is no difficulty in meeting the share for each from the estimates by a small supplementary demand; but in the case of the Police buildings it is different, as the accounts have been closed, and completion certificates sent in. I shall be obliged by being informed whether the aggregate sum should be provided for by a separate allotment, or whether each building should bear a proportional share. Should the latter be the course approved, I suggest that the amount be apportioned as follows :—

	RS.
1. Sub-Magistrate's Cutcherry, Subsidiary Jail, and Police Station	150
2. Post Office	80
3. Sub-Magistrate's house	50
4. Police Inspector's Bungalow	40
5. Head Constable's do.	30
Total...	350

and request allotments to meet the disbursement for numbers 2, 4, and 5. I can provide for 1 and 3 out of the grant already sanctioned for current year.

No. 446. ORDER THEREON, 24th November 1870, No. 2,830.

ACCOUNT, No. 42.

MAJOR KENNEDY will be informed that the cost of the land which was taken up at Vythery in 1865 for the

public buildings referred to by him should be proportionately charged to the estimates for those buildings.

2. The Inspector-General of Police will be requested to submit proposals for providing from Police funds the two sums of Rupees 40 and 30 which are respectively chargeable to the bungalows of the Inspector of Police and Head Constable, and Major Kennedy should endeavour to allot the small sum of Rupees 80 debitale to the Post Office from the funds at his disposal.
