*Proceedings of the Madras Government, Public Works Department,
24th November 1870.*

No. 454. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Malliapooram, 4th November 1870, No. 172 :—

In case Government purpose, by transfers to other works, still further reducing the Budget allotment for the Lawrence Asylum Works at Lovedale, I have the honour to request that a transfer of Rupees 5,920 may be made from that source to the following works in this Division, where, to allow of the preparation of materials and completion of the buildings during the five months of the year, these sums are urgently required, namely :—

I.—Workshops for the European Infantry at Cannanore,	RS.
unspent balance of estimate	4,520
II.—Orderly-room and Military Offices at do., unspent	
balance of estimate	1,400

2. Captain Bailey applied for these allotments in the early part of this year, but Government were unable to provide them, *vide* G. O. No. 1,160, of 3rd May 1870; and that Officer had so made his arrangements that, on receipt of the G. O. negating the allotments, he was able to adjust all outlay incurred by debiting the materials to other works in progress, and therefore no expenditure has appeared against these works. He now reports that, unless funds are at once provided and tiles procured, the buildings cannot be roofed in before the next monsoon, even if funds be provided for the works in the outgoing Budget. The wood-work of the roof has been too long exposed to be left uncovered any longer, and I would, therefore, strongly urge the allotments herein proposed.

No. 455. ORDER THEREON, 24th November 1870, No. 2,835.

ACCOUNT, No. 43.

As the Government of India have accorded sanction to the revised estimate for the male branch of the Lawrence Asylum at Lovedale, and the Superintending Engineer has been instructed* to proceed with the work from the unappropriated balance of the allotment provided for it in the Budget, His Excellency the Governor in Council resolves to apply for the sanction of the Government of India to the transfer of Rupees 5,920 to the works marginally

The Secretary to Govt, D.P.W.
Madras

Sir,

In case Government purpose,
by transfers to other works, still further
reducing the Budget allotment for the
Lawrence Asylum Works at Lovedale,
I have the honor to request that a
transfer of Rs. 5920 may be made
from that source to the following
works in this Division, where, to allow
of the preparation of materials, and
completion of the Buildings during
the final months of the year, these
sums are urgently required, viz:-
I Work-shops for the European
Infantry

I Infantry at Cannanore,
unspent Balance of Estt. Rs. 4520.

II Orderly Room & Military Office
at Ditto, unspent Balance of Estt. 1400.

2. Captain Bailey applied for these
allotments in the early part of this
year, but Govt. were unable to pro-
vide them, vide G.O. No. 1160 of 3rd May
1870; and that Officer had so made
his arrangements that, on receipt
of the G.O. negating the allotments,
he was able to adjust all outlay
incurred by debiting the materials
to other works in progress, and there-
fore no expenditure has appeared
against these works. He now reports
that, unless funds are at once pro-
vided and files procured, the
buildings cannot be roofed in before
the next monsoon, even if funds
be provided for the works in the
outgoing

outgoing Budget - The wood work
of the Roof has been too long
exposed to be left uncovered any
longer, and I would therefore strongly
urge the allotments herein proposed.

I have the honor to be,
Sir,
Your most obedient Servant.
