No. 464. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 4th November 1870, No. 3,220:—

As the anicut at Vulloor, across the Cortelliar river, sanctioned in G. O., No. 92, dated 11th January 1867, will be completed by the 31st March next, it is necessary to obtain the sanction of Government for a conservancy establishment in time to admit of its cost being provided in the outgoing Budget.

2. The following are the principal works requiring to be conserved:—

1 Anicut.
1 Head Sluice.
3 Subsidiary Sluices.
1 Main Channel.
4 Distributing Channels.

3. A permanent establishment* of the strength shown in the enclosed tabular statement from the Executive Engineer in charge of the Range will, I think, be found sufficient to keep all the above works in proper working order, and I have, therefore, the honour of recommending that sanction be accorded for entertaining such establishment from 1st April next.

No. 465. ORDER THEREON, 25th November 1870, No. 2,841.

ESTABLISHMENT, No. 47.

THE Government of India will be asked to sanction the small establishment asked for by the Superintending Engineer of the 4th Division for the Vulloor Anicut works. One Lascar will be substituted, however, for one Peon in the scale, as this man will have to regulate shutters, and to work at such minor repairs in the neighbourhood of the sluices, etc., as he may be able to execute.

Ordered that the following letter be sent:—
