*Proceedings of the Madras Government, Public Works Department,
25th November 1870.*

No. 469. Read the following Endorsement of the Military Department, dated Fort Saint George, 14th November 1870 :—

Read the following letter from the Officiating Quarter Master General, to the Secretary to Government, Military Department, dated Fort Saint George, 10th November 1870, No. 5,370.

As there would appear to be no Standard Plan of Sloping Gallery for Army Schools sanctioned in G. O. C. C., No. 94, dated 29th November 1856, I have the honour, by Order of His Excellency the Commander-in-Chief, to submit the enclosed two plans, with letter from the Superintendent of Army Schools, for the consideration of Government in the Public Works Department.

From the Superintendent of Army Schools, to the Quarter Master General of the Army, Fort Saint George, dated Coonoor, 18th July 1870, No. 92.

I HAVE the honour to bring to notice that Standard Plans of the Sloping Galleries for children and infants in Army Schools, sanctioned in G. O. C. C., No. 94, of 1856, do not appear to be available. Those recently erected by the Public Works Department are of various, and in most instances of objectionable, patterns.

2. I enclose sketches of the very convenient sloping gallery erected in the grown children's school-room of the Royal Artillery, Bangalore, and for infants in the Pettah of Bangalore; and beg to suggest, in the event of there being no standard plan, that these plans may be adopted.

TRANSFERRED to the Public Works Department.
(Signed) A. WILDE, Major-General,
Secretary to Government.
