2. With reference to paragraph 4 of your letter I am to state that the Government of India would rather not sanction the appropriation of Rupees 10,000 for constructing locks on the Cocanada Canal until the estimate for the work has been duly passed I am to add that, if the Government of Madras wish to carry out this work, it might be done by dealing with the estimate for it separately instead of waiting for a general scheme for the completion of the works of the Godavery Delta. When the estimate for the work has been properly sanctioned, the Governor-General in Council will be prepared to approve of an appropriation of funds for the purpose.

ACCOUNT, No. 66

COMMUNICATED to the Superintending Engineers of the 1st, 3rd, 4th, 5th, and 7th Divisions with reference to G. O, No. 3,582, dated 8th November 1869.

2. The Superintending Engineer of the 1st Division will observe that the Government of India have expressed their readiness to make an appropriation of funds for the new locks on the Cocanada Canal, in anticipation of the approval of the estimates for improving and completing the Godavery Delta works, so soon as the estimates shall have been regularly sanctioned, and Major Fischer should, therefore, submit revised estimates for these locks as soon as possible.

Budget credits &c. &c. &c. &c. &c.
Sir I have the honor to request that you will be pleased to place at my disposal the following Budget credits for 1869-70, but I desire to be distinctly understood that the expenditure of Rs 10000 thus authorized is to be considered as the final limit to the estimate for the work has been duly passed - and to which no additions whatever will be
