No. 518. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 19th November 1870, No. 3,441 :—

I HAVE the honour to report that of the amount allotted in G. O., No. 1,642, dated 8th July 1870, for conducting certain irrigation experiments, a sum of Rupees 331 was appropriated by Colonel Bean in August 1870 for outlay on that object in the Chendragherry Range, North Arcot District.

2. I observe that in the detailed estimate for this amount, submitted by Mr. Hayes in May 1870, an item is included for the purchase of a pair of bullocks at a cost of Rupees 60.

3. The Controller of Public Works Accounts has brought to my notice that under G. O., No. 1,365, dated 11th May 1864, this charge can be incurred only under the authority of Government, and I have, therefore, to request that sanction may be accorded to the purchase, which has already been effected, and to a transfer of a sum of Rupees 60 from the grant Rupees 100, under "Camp Equipage" "Tools and Plant," North Arcot District, to meet the outlay.
