Proceedings of the Madras Government, Public Works Department, 24th January 1870

No. 554. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 18th December 1869, No. 2,738 —

I HAVE the honour to submit, for the sanction of Government, the accompanying comparative statement for improvements to the hospital at Ramandroog, for which an estimate amounting to Rupees 2,650 was sanctioned in G. O, No. 1,079, of 6th April 1868, and which was authorized to be carried out in G. O., No. 2,035, of 26th June 1868.

One comparative statement.

2. The excess of Rupees 271-10-2, or about ten per cent., is partly due to a rise in rates since the estimate was made in 1867, and partly to extra work being required to be done in the basement than had been estimated for.

No. 555. ORDER THEREON, 24th January 1870, No. 288.

MILITARY WORKS, No. 15.

UNDER the explanation afforded in this letter the Government sanction the revised estimate of Rupees 2,922 for improvements to the hospital at Ramandroog.

Proceedings of the 14th. December last, No. 3170. I conclude that the term "general control" employed in para 2 has reference only to the distribution, to particular works, of the two lacs provided in the Civil Estimates, and not to the granting of credits and the audit and passing of expenditure, which, in the case of all Imperial Works, whether executed by Public Works officers, or through the agency of the Civil authorities, devolve exclusively upon this office.—
