Dated 1 12 1870.

*Proceedings of the Madras Government, Public Works Department,
1st December 1870.*

No. 1. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 18th November 1870, No. 1,760 :—

From the Special Executive Engineer, Wynaad, to the Controller of Public Works Accounts, dated Luckadie, 14th November 1870, No. 725.

With reference to the case of Hospital Assistant Veerawgoo, I shall be obliged by your submitting the point to Government, together with the correspondence on the subject, and the copy of the objectionable charge statement forwarded with this.

2. I find that the present occupant of the post has, while on leave, drawn such salary as he was entitled to from the Medical Department, and I presume there can be no claim on his behalf: it only remains to be settled whether the superior pay of his substitute and travelling allowance is to be defrayed by me or not; and I take the opportunity of pointing out that the being obliged to meet the cost of medical aid out of the Petty Establishment sanction, cripples my resources under that head very seriously.

3. In the North Wynaad Range medical attendance is afforded without any charge against the Public Works. In South-east Wynaad only Rupees 20 per month is paid. Seeing that medical aid is absolutely indispensable, and that the sources from which it is derived in North and South-east Wynaad are quite useless for the Vythery Range owing to distance, I would suggest that the cost should be met by an addition to the Temporary Establishment, and the Petty Establishment grant relieved from it. The amount of private subscription for the Vythery Hospital having now been realized, I presume the construction of the building will be proceeded with, and when it is ready for admission of patients this part of Wynaad can be placed under the same conditions as the south-east district, and separate medical attendance will no longer be required, so that the above alteration will in fact be purely temporary.

4. Should my suggestion not be agreed to, I beg that a small additional allotment, not exceeding Rupees 300, may be made for Petty Establishment in Wynaad, to cover the extra cost of medical attendance.

SUBMITTED for the consideration and orders of Government.

2. The pay and allowances of the third-class Hospital Assistant heretofore employed in the Vythery Range amounted to Rupees 45 per mensem, and for this sum provision is made in the grant (reduced) for "Petty Establishments" for the Wynaad.

One letter from Major Kennedy.
.. Objection Statement.

3. The Hospital Assistant now doing duty under Major Kennedy, during the absence of the permanent incumbent on leave, is of the second-class, and as his pay* and allowances† exceed the Budget provision by Rupees 15 per mensem, Major Kennedy is at a loss to

set free the required amount from his allotment for Petty Establishments.

* Rupees 40.

† Do. 20.

*Proceedings of the Madras Government, Public Works Department,
1st December 1870.*

1. Under these circumstances, and in the absence of any alternative, I would suggest that the additional charge on account of salary and travelling allowance to the Hospital Assistant be authorized to be passed as an excess on the assignment for Petty Establishments, or against the general allotment under that head.

(Signed) S. BRGCK,
Controller of Public Works Accounts.

No. 2. ORDER THEREON, 1st December 1870, No. 2,896.

ESTABLISHMENT, No. 1.

THE proposal in paragraph 4 of
the Controller's report is approved.

(True Extract.)

Colonel, R.E.,

Secretary to Government.

3
1st Dec 1870

Submitted for the consideration and orders of Government.

2
The pay and allowances of the 3rd class Hospital Assistant here to fore employed in the Vaythery Range amounted to Rupees 45 per mensem, and for this sum provision is made in the grant (reduced) for petty establishments for the Wynnad.

3
The Hospital Assistant now doing duty under Major Kennedy during the absence of the permanent incumbent on leave is of the 2nd class, and as his pay and allowances exceed the budget provision by Rupees 15 per mensem, Major Kennedy is at a loss to get free the required amount from

Rs. 40

Rs. 20

from his allotment for Petty
Establishments.

4 Under these circumstances,
and in the absence of any alternative,
I would suggest that the additional
charges on account of salary and
travelling allowances to the Hospital
Assistant be authorized to be passed
as an excess on the assignment for
Petty Establishments, or against the
general allotment under that head.
