*Proceedings of the Madras Government, Public Works Department,
2nd December 1870.*

No. 50. Read the following Endorsement of the Acting Consulting Engineer for Railways, dated Madras, 23rd November 1870, No. 456 :—

From the Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 22nd November, No. 665.

ADVERTING to your letter No. 626, of the 7th instant, I have the honour to
* From Chief Engineer, No. 621, 19th Nov. 1870. quote as follows from a report* made
by the Resident Engineer in reply to
an application for further particulars in regard to the case in question :—

“ The watchman who was injured on the night of the 12th October, states
“ that he was standing still at a gate after having gone over his length, and was
“ about to give a signal to the 10-15 P. M. train when he fell down in a fit and
“ was struck while falling by the engine. The man recovered about the early
“ part of this month ; his injuries appear to have been very slight.

“ It is difficult to say whether the man's account is correct, as no one was
“ near him at the time of the accident.”

SUBMITTED to Government with reference to the remark of His Excellency the Governor on Endorsement from this office No. 418, dated 25th October 1870.
