*Proceedings of the Madras Government, Public Works Department,

No. 84. Read the following Endorsement of the Revenue Department, dated 22nd November 1870:—

Proceedings of the Board of Revenue, dated 21st November 1870.

Read the following letter from the Acting Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated Coimbatore, 12th November 1870, No. 296.

IN reply to the Board's Memorandum, dated 26th ultimo, entered at foot of the Proceedings of Government, dated 19th idem, No. 1,598, I have the honour to state that of the allotment of Rupees 3,000 placed at the disposal of the Public Works Department in Board's Proceedings of the 4th June last, No. 3,842, for

The sum of Rupees 1,470 was transferred by the Superintending Engineer for the bridge-path from the foot of the Northern Burghoor Ghaut to Bawapuram.

making a bridge-trace on the Anamallays, the transfer marginally noted has left a balance of Rupees 1,530 unexpended, which, as directed, will be transferred to the Reserve.

2. The Superintending Engineer relying upon an allotment for this work from Local fund has made no provision for it in his Imperial Budget list. I therefore avail myself of this opportunity to request that Government may be moved to make provision for commencing this line of communication from Imperial funds. The owners of coffee estates on the Anamallays have, as has been already pointed out, a strong claim upon Government. At present they have only access to their estates by a track so steep that loaded bullocks cannot traverse it up or down. Everything has to be carried on coolies' heads.

SUBMITTED to Government with reference to Government Order 19th October 1870, No. 1,598.

2. The Board hope that Government will find it possible to provide for the bridge-track in the Budget now under preparation.

3. The transfer of Rupees 1,530 to the Reserve is sanctioned, and the Accountant-General is requested to deduct that amount from the allotment of the Department of Public Works.
