GROUNDS OF PROPOSITION.

ON THE urgent representations of His Excellency the Commander-in-Chief the transfer against Item 1 is proposed to be made in order to provide funds for the erection of a Rest-house which is much needed at Arconum for the health and comfort of the troops passing up and down the line of Railway.

2. Item 2 is intended to provide an allotment to cover expenditure incurred on additional work undertaken in connection with the Cholera Camps near Bangalore. The sum of Rupees 220 proposed to be withdrawn from the school-house for Cavalry at Bangalore is a *bona fide* saving on the estimate and grant for that work.

3. The grant against Item 3 is urgently required to meet the cost of repairing the boilers of the dredges in the Cocanada river, no funds being available under the head "Tools and Plant, Ordinary."
