G.O. No. 2954	Press ~~Mis.~~
112-14	
Dated 6. 12	1870.

Not to be folded or roughly handled

2/11

*Proceedings of the Madras Government, Public Works Department,
6th December 1870.*

Read the following letters:—

No. 112. From the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Calicut, 20th October 1870, No. 160.

With reference to my letter, No. 106, dated 20th August, printed with G. O., No. 2,194, dated 13th September 1870, I have the honour to report that I found on inspecting the Fish Oil Factory this morning the words used by me, namely, "the sum of Rupees 485 will be sufficient to carry out the larger estimate so far as "to put up the wall already sanctioned round the Fish Oil Factory," are incorrect; the estimate now sanctioned, though quite sufficient in my opinion permanently to secure the building from cattle-trespass, has no reference whatever to the larger estimate originally sanctioned. The mistake occurred by my having measured the line of temporary fence marked in the survey, instead of the dotted lines marking the uselessly large area which the larger estimate contemplated should be enclosed. I report the mistake in case Government may be under the impression, as my letter would naturally lead them to be, that a portion of the larger estimate for which there is no real necessity is actually being carried out.

No. 113. From the same Officer, dated Camp at Calicut, 14th November 1870, No. 176.

In reply to Memorandum No. 27, dated 5th November 1870, I have the honour to report that, in my opinion, the smaller enclosure as recommended by One Survey. me will dispense with the necessity of the larger enclosure as sanctioned by Government in G. O., No. 2,520, dated 2nd August 1869. I enclose a survey which shows the larger enclosure in dotted, and the one considered sufficient by me in red, lines. This arrangement will reduce the sanctioned estimate of Rupees 4,485 by Rupees 1,080, the dotted lines A., B., and C. not being necessary. The balance of the larger estimate will still be required to enclose the compounds of the Small-pox and Leper Hospitals.

No. 114: ORDER THEREON, 6th December 1870, No. 2,954.

CIVIL WORKS, No. 12.

THE Government observe from these papers that the sanction accorded by them to the proposal of the Acting Superintending Engineer for the erection of a wall around the Fish Oil Factory at Calicut at an estimated outlay of Rupees 485, will reduce the estimate sanctioned in the Proceedings of the Public Department under date the 16th July 1869, No. 984, for enclosing that building as well as the Small-pox and Leper Hospitals, from Rupees 4,485 to Rupees 3,405.

(True Extract.)

Colonel, R.E.,

To, The Secretary to Govt, P.W.D.
Madras.
Sir,

With reference to my letter
No 106 dated 20th August, printed with
G.O. No. 2194 dated 13th September 1870, I have
the honor to report that I found, on
inspecting the Fish Oil Factory this
morning, the words used by me, viz:-
"the sum of Rs. 405 will be sufficient
"to carry out the larger estimate so far
"as to put up the wall already sanctioned
"round the Fish Oil Factory," are incor-
rect; the estimate, now sanctioned
though quite sufficient, in my opinion
permanently to secure the Building
from Cattle trespass, has no reference
whatever to the larger estimate ori-
ginally sanctioned. The mistake
occurred by my having mistaken
the line of temporary fence marked
in

in the Survey instead of the dotted
lines marking the uselessly large area
which the larger Estimate contempla-
ted should be enclosed. I repeat
the mistake in case Government
may be under the impression, as
my letter would naturally lead
them to be, that a portion of the larger
Estimate for which there is no
real necessity is actually being
carried out -

I have the honor to be,

Sir,

Yours most obedt Serv^t

Wm. McK. Offotse.

To,

The Secretary to Govt,
D. P. W. S., Madras.

Sir,

Enclosure
1 Survey -

In reply to Memo No 27 dated
5th Nov 1870, I have the honor to report
that, in my opinion, the smaller en-
closure as recommended by me will
dispen with the necessity of the
larger enclosure as sanctioned by
Government in G.O. No. 2520 dated 2nd
August 1869 - I enclose a survey which
shows the larger enclosure in dotted
and the one considered sufficient by
me in red lines - This arrangement
will reduce the sanctioned estimate of
Rs 4485 by Rs 1000, the dotted lines A,
B & C not being necessary - The
Balance of the larger estimate will
still be required to enclose the Com-
pounds of the Small Pox and deper

deper Hospitales -

I have the honor to be,

Les
