To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

ACCOUNT, No. 10.

No. 2,660, dated 5th November 1870.

SIR,—With reference to paragraph 6 of the "Grounds of Proposition" attached to my application marginally noted for a re-appropriation of Budget

Credits, I am directed to request, upon the representations of the Special Executive Engineer in charge of Public Works Operations in Wynaad, that the following appropriations may be substituted for the corresponding sum made available by the proposed reduction of 6 per cent. on the allotment for Repairs under Communications in that district:—

WYNAAD.—Sub-Magistrate's Cutcherry and Subsidiary Jail at Goodalore. Estimate Rs. 20,230.	RS.
Budget Item No. 70	500
Do.—Deputy Collector's Cutcherry at Manantoddy. Estimate Rupees 13,580. Funds allotted— <i>Vide</i> letter No. 300-A. B., dated 1st September 1870, from the Government of India...	500
Do.—Sub-Magistrate's house at Vythery. Estimate Rupees 4,200. Budget Item No. 69 ...	209
<i>Minor Repairs to Civil Buildings.</i>	
North Wynaad	650
South-East Wynaad	250
Vythery	450
Total...	2,559

2. In explanation of the present proposals, I am to state that owing to the large reduction of 22 per cent. in the maintenance grants for roads for the past official year, and the circumstance that little of those grants for 1870-71 remains at the disposal of the Executive Engineer, a diminution of the available balances could not *now* be made without serious detriment to some of the important lines of communication in the Wynaad, and under the circumstances, His Excellency the Governor in Council trusts that the present proposals may receive the early sanction of the Government of India.

I have the honour to be,

Sir,

Your most obedient servant,

Colonel, R.E.,

Secretary to Government.

Exd. E. C. Shunker.
