*Proceedings of the Madras Government, Public Works Department,
6th December 1870.*

No. 120. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Juggiahpett, 21st November 1870, No. 114:—

In reply to G. O., No. 2,642, 4th instant, I have the honour to report that the only lock in the neighbourhood in the canal between the Poollair and Masulipatam Main Canal was completed some years ago, but cannot affect the branch channel to Gudiwada.

2. The calingulah by which its level was to be raised is not, I regret to say, finished, and, as water is passing down the Poollair in large quantities for other irrigation, cannot be completed till next working season, when I hope also to have the branch channel cleared.

3. I take the opportunity of observing, that in paragraph 19 of his letter to the Board of Revenue, noticed in paragraph 9 of their Proceedings, the Collector is speaking of matters which I put a stop to directly I joined and before Mr. Boswell came to the district.

No. 121. ORDER THEREON, 6th December 1870, No. 2,958.
