*Proceedings of the Madras Government, Public Works Department,
7th December 1870.*

No. 135. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaiswaram, 28th November 1870, No. 2,910:—

I HAVE the honour to forward herewith copy of a letter received from the Executive Engineer on special duty, Ganjam, in which it is recommended that the Order of Government* directing the reduction by 6 per cent. of the maintenance grants for roads, may, so far as the Ganjam and Vizagapatam Districts are concerned, be at once rescinded.

* No. 2,445, dated 11th October 1870.

2. It will be observed that Captain Beckley's reasons for recommending the exemption of these districts from the ruling of the above Order of Government are that the roads have suffered so much damage from the late heavy rains that to bring them into passable order the full annual maintenance allowance will be required.

3. Under the circumstances reported by Captain Beckley, I request that telegraphic instructions may be sent me to proceed with the repairs of the damaged roads to the full extent of the grants provided in the Budget for the current year.

No. 136. ORDER THEREON, 7th December 1870, No. 2,967.

To

The Superintending Engineer
1st Division.

Sir

I have the honor to inform you that all the roads in the Ganjam and Vizagapatam Districts have suffered so much damage from the late heavy rains that to bring them ^{into} passable order the full yearly maintenance allowance is required and I recommend therefore that the orders deducting 6 per cent from these allowances may be at once rescinded; for many roads the full maintenance allowance will be insufficient to make good damages sustained and estimates and requisitions for special grants will be forwarded.
