*Proceedings of the Madras Government, Public Works Department,
8th December 1870.*

Read the following papers:—

No. 159. From the Inspector-General of the Indian Medical Department, to the Secretary to Government, Public Works Department, dated Fort Saint George, 5th December 1870, No. 298.

I HAVE the honour, with reference to G. O., No. 2,874, of the 29th November, to inform you that a supply of the necessary medicines will be immediately forwarded to the Acting Superintending Engineer, 1st Division, Dowlaishweram.

2. Should the fever continue to prevail as the cold season advances, I think it would be very advisable to send a Medical Officer to the district to report on the cause of the outbreak and advise as to the treatment. For this duty I propose to detail Assistant Surgeon W. E. Wright, Guntoor, and presume that, while thus engaged, it would be necessary to allow him the employed rate of pay of his rank and travelling expenses.

3. In connection with the above, I may mention that the Sanitary Commissioner has informed me that he intends to visit the district sometime in January next.

Telegram from Major FISCHER, Dowlaishweram, to Colonel ORR, Madras, dated 3rd December 1870.

FEVER much on the increase. Please send medicines soon.

No. 160. ORDER THEREON, 8th December 1870, No. 2,979.

ESTABLISHMENT, No. 11.

ORDERED that the papers above read be communicated to the Public Department in continuation of G. O., No. 2,874, dated 29th November 1870.

2. In the event of its being found necessary to depute Assistant Surgeon Wright to Guntoor, His Excellency the Governor in Council considers that, looking to the nature of the enquiry on which that Officer will be engaged, the charges referred to in paragraph 2 will not be payable by the Public Works Department.
