GROUNDS OF PROPOSITION.

A RANGE Office at Negapatam being found to be urgently needed, this Government have sanctioned the erection of a suitable building, but owing to the smallness of the allotment available for New Works Civil Buildings they are unable to provide the requisite funds under that head. Hence the grant against Item I.

2. As there is little probability of the whole amount of Rupees 2,080 provided in Part II. of the Budget for carrying out improvements to the Guntoor Jail in the Kistna District being required during the current official year, the transfers against Items 2 and 4 to cover the charge for compensation for land taken up for the new Cutcherry and Jail at Nundial in the Kurnool District, and for the road from Ootacamund to the Koondahs in the Neilgherry District are submitted for the sanction of the Government of India.

3. The grant against Item 3 was sanctioned in Proceedings of this Government of the 29th April 1870, No. 1,136, to cover the cost of work performed but not paid for in 1869-70, and for which no provision is made in the current year's Budget, but as under subsequent orders in the Judicial Department, the estimate for the Deputy Tahsildar's Cutcherry at Porayaur was raised to an amount in excess of Rupees 10,000, the transfer previously made requires the approval of the Government of India, under the ruling contained in Chapter XX., Section I., paragraph 22 of the Public Works Code.

4. The grant against Item 5 is much needed to allow of the work of erecting parapet walls along the most dangerous portions of the Coonoor Ghaut being at once proceeded with. The new ghaut is now opened for fast wheeled traffic, but is at many points unprotected and very unsafe.

5. Item 6 is to pay for the cost of establishments on the works noted which are not provided with an allotment in the current official year.
