*Proceedings of the Madras Government, Public Works Department,
8th December 1870.*

No. 167. Read the following letter from the Acting Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Cuddalore, 24th November 1870, No. 181 :—

I HAVE the honour to forward, for the orders of Government, a copy of the Controller's memorandum, No. 359, of the 16th instant, on the subject of the

Two copies of letters. amount of travelling allowance to be passed in future to Mr. Assistant Engineer Bell in charge of the Palandorai Anicut works in the 4th Range, South Arcot District. I also enclose copy of a letter, No. A-50, of 19th November 1870, from the Range Office, on the same subject, by which it will be observed that the nature of the work upon which Mr. Bell is engaged will entail constant marching, and that he will necessarily be obliged to maintain the same travelling equipage as a Range Officer.

No. 168. ORDER THEREON, 8th December 1870, No. 2,983.

ESTABLISHMENT, No. 12.

In accordance with the ruling in G. O., No. 2,647, dated 9th September 1865, the Controller of Public Works

Accounts is authorized to pass to Mr. Bell during his halts at Palandorai the half travelling allowance of his rank, and to dispose of his claims to travelling allowance for marches made beyond five miles from that station in conformity with the rules of the department.

Sir,

With reference to the Controller's
Memo N^o 359, of the 16th instant to
your address on the subject of the
amount of travelling allowance to
be passed in future to M^{rs} Assistant
Engineer Bell in charge of the Selam-
durai anicut works, I have the
honor to request you will be so good
as to lay before the Government the
following explanation in reference
to the peculiar situation of the officer
in charge of the aforesaid works; as it
appears to me he is fully entitled to
the travelling allowance of his grade,
provided he does not halt more than

3 days at his Head Quarters,
and that his marches are beyond
5 miles from his fixed station.

Mr Bell, although in charge
of a special work, is obliged to
maintain the usual travelling
equipage of a Range Officer; he has
no shelter except under canvas,
either at his fixed station or else-
where, and having about 40 miles
of channel work to superintend
he is necessarily obliged to be con-
stantly on the move. And under
the circumstances I think it will
be a hardship to deprive him
of any portion of the allowance
of his grade.

Memo

On examining the Inspection
Reports of Mr Assistant Engineer Bell
for the months of September and October
1870, it appears to the undersigned that
Palandorai must be regarded as the
temporary head quarters of that Office,
and, under these circumstances, and so
long as Mr Bell continues in special
charge of the Palandorai Annicut Pro-
ject Works, this Office will be unable
to pass to him hereafter the travelling al-
lowance of his rank, until the Orders
of Government are obtained by the Su-
perintending Engineer as to the rate
of travelling allowance, if any, to which
Mr Bell is to be considered entitled.
