No. 173. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Calicut, 30th November 1870, No. 193:—

I HAVE the honour to bring to your notice that the Calicut Range Officer reports the Calicut Pier will be fully completed before the end of December, when the Contractor will look to be paid the full amount due to him for the work on receipt of the certificate to be granted by me as noted in his contract. By the time the work is completed the Contractor will have received all but the 20,000 Rupees which is stipulated to be paid to him on receipt of my certificate, on granting which, to enable me to authorize the Range Officer to make the final payment, it is necessary that an additional grant of Rupees 10,000 should at once be made from Port Funds to meet the requirement. I have inspected the work, and am, so far as it has gone, quite satisfied that the contract is being fairly carried out.
