From the Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 16th November 1870, No. 648.

ADVERTING to the Consulting Engineer's letter No. 558, of the 9th November 1869, and to the enclosed copy of paragraph 4 of a letter from my Board of Directors, No. 461, dated the 14th ultimo, I have the honour to apply for the sanction of Government to the following increases of salary, namely:—

Mr. F. Peele, Cashier £550 to £650 per annum.

Mr. C. Bartoli, Paymaster „ 400 to „ 450 „ „

2. You will observe that, subject to the approval of Government, the Directors authorized the abovenamed promotions to take effect from the 22nd April last, and I shall be obliged if you will communicate to me the instructions of Government on this point also.

These increases have been authorized by the Board of Directors, subject to the sanction of Government, on account of lengthened service and largely increased duties since Mr. Peele and Mr. Bartoli were appointed to their offices. A copy of the paragraph in the Secretary's letter conveying the authority of the Directors was forwarded with my letter No. 618, dated the 16th instant, and the sanction of Government is now applied for. It will be observed that the Board wish the increases to take effect from the 22nd April last, and that the enhanced salaries are, under the circumstances, stated to be considered as only provisional. Proceedings of the Madras Government, Public Works Department,
10th December 1870.

Extract from a letter from the Agent and Manager of the Madras Railway Company, to the Railway Board of Directors, No. 905, dated 14th July 1870.

PARAGRAPH 2.—Adverting to paragraph XIV. of your No. 454, I beg to solicit the attention of the Board to the Consulting Engineer's letter of the 9th November 1869, No. 558, in which Major Shaw Stewart requested that the recommendation made by me for an increase in the salary of the Chief Auditor should be placed before the Directors before being submitted for the approval of Government, and remarked that in Government Order dated the 12th June 1868, No. 1,854, it is desired that this course should be followed. It was in accordance with these instructions that I recommended to the Board, in the first instance, the promotion of Mr. Peele and Mr. Bartoli, and I will ask you, therefore, to be so good as to submit the matter again to the Directors, and communicate their decision to me at your convenience.

Extract from a letter from the Secretary of the Madras Railway Company, No. 461, dated London, the 14th October 1870.

PARAGRAPH 4.—In bringing again before the Board in letter No. 905, paragraph 2, the applications of Messrs. Peele and Bartoli for an increase of salary on account of lengthened service and their largely increased duties and charge as Cashier and Paymaster respectively since their appointment to their offices, you explain satisfactorily the reason why your recommendation was not, in the first place, submitted for the opinion of Government. It appears to the Board that upon the grounds stated both these officers have a claim to some increase in their salaries, and they accordingly authorize the raising of Mr. Peele's from £550 to £650, and of Mr. Bartoli's from £400 to £450, subject to the sanction of Government. The increase to take effect from the 22nd of April last, the date of the Board's acknowledgment of your previous letter recommending it. In view, however, to the probable re-organization of these offices on the completion of the work of construction, Messrs. Peele and Bartoli will understand that these salaries are only provisional.
