*Proceedings of the Madras Government, Public Works Department,  
10th December 1870.*

No. 183. Read the following Circular from the Officiating Secretary to the Government of India, Public Works Department, (Buildings and Roads—Military,) to the Governments of Bengal, the North-Western Provinces and the Punjab, in the Public Works Department; the Chief Commissioners of Oudh, the Central Provinces and British Burmah; the Resident at Hyderabad; and the Agents to the Governor-General for Central India and Rajpootana, dated Simla, 17th August 1870, No. 46:—

It has been decided by the Government of India that the orders at present in force which allow the provision, at the public expense, of *tatties* for churches, chapels, or other places of public worship in Military Cantonments, shall be cancelled.

2. This decision will not, however, have retrospective effect, and the supply of *tatties* may be continued in every existing place of public worship for which they have been hitherto sanctioned by proper authority.

3. The *tatties* thus exceptionally allowed will be supplied by the Barrack Department, and the regimental establishment shall be used for watering them, but this only when the attendance of the troops at church or chapel is by order. On all other occasions, private arrangements must be made for watering.

Copy forwarded, for information, to the Governments of Madras and Bombay, in the Public Works Department, and to the Military Department, the Adjutant General and the Quarter Master General.
