*Proceedings of the Madras Government, Public Works Department,
10th December 1870.*

No. 202. Read the following Endorsement of the Revenue Department, dated 30th November 1870:—

Proceedings of the Board of Revenue, dated 17th November 1870, No. 6,710.
Read the following letter from the Acting Collector of the Chingleput District, to the Acting Secretary to the Board of Revenue, dated Sydapet, 4th November 1870, No. 471.

HAVING recently settled the compensation for a portion of the lands taken up by the Municipality for the delivery channel from the Red Hills tank, I applied to the President of the Municipal Commission to remit to me the amount (1,100 odd Rupees) awarded. The President, in reply, however, states that the charge must be borne by Government, and that the Municipality have nothing to do with the compensation payable for lands taken up for the delivery channel. I am not aware what the orders of Government are on the subject, and therefore request that you will be good enough to obtain the orders of the Board regarding it. In case the compensation is to be paid by Government in the first instance, and to be subsequently re-paid by the Municipality, I request that you will let me know whether it is not necessary to value any unoccupied waste land that may be taken up for the purpose, in view to recovering the value of such lands also from the Municipality.

SUBMITTED for the orders of Government.

TRANSFERRED to the Public Works Department.
